Welcome to our 19th season in Lafayette! The award-winning Gold Coast Chamber Players present world-class chamber music concerts in an intimate setting. Our diverse repertoire features music from many different eras and styles, and we seek always to provide imaginative combinations of players to fit our musical programs. This season highlights our collaborative spirit by presenting leading chamber musicians from the San Francisco Bay Area, New York City, Los Angeles, and Italy, as well as the debut of the Bay Area Music Consortium (BAMC) in Concert 3, which was initiated by GCCP Artistic Director, Pamela Freund-Striplen.

### *...world-class chamber music in an intimate setting*

As part of our 19th season, we are pleased to present one performance in collaboration with the Bay Area Music Consortium. BAMC is a visionary partnership among four geographically distinct organizations dedicated to presenting the finest in chamber music experiences: Berkeley Chamber Performances, Gold Coast Chamber Players, Mill Valley Chamber Music, and Noe Valley Chamber Music (San Francisco). With the synergy of combined resources, collective planning and a shared artistic vision, the Bay Area Music Consortium is able to present outstanding ensembles performing uniquely designed programs that enrich each of the individual member communities.

BAMC will present the esteemed St. Lawrence String Quartet and three-time Grammy nominated clarinetist, Todd Palmer, in a concert of music spanning four centuries. The first of these four BAMC performances is offered to our Gold Coast audience on February 9, 2019.

We invite you to join us for all five of our programs as well as for a free Family Holiday concert in December!
